The Grapes of Wrath

Themes paper/Book Assessment

Write a paper that accomplishes the following:

- Explains what theme is most strongly communicated in *The Grapes of Wrath* (no soft starts!)
- Uses specific evidence from the text, using in-text citations correctly – ex: (Steinbeck 354)
- Addresses how this theme is still relevant today, using examples
- Includes an MLA full citation of the book at the end of your paper. (RefMe is a cool app!)
